

## Production Discontinuation Notice for TDK MLCC High Reliability Grade CGJ Series

Thank you very much for your continuous use of TDK Multilayer Ceramic Chip Capacitors High Reliability Grade (Hereafter CGJ Series).

CGJ series were released for the consumer application which requires high-reliability.

However, customers which at targeted business field selected automotive items (CGA Series) and CGJs were not expanded in the market.

And vendor TDK Components USA (TCU) is mandatory for CGJ Series to support special option such as Anti-counterfeiting seal and Lot trace

through Website, and which are negatively affected productivity.

TDK decided EOL for the CGJ Series and would like to request to change to the replacement P/N or order transfer to other suppliers or inform TDK of last time buy quantities..

## Production Discontinuation Notice for TDK MLCC High Reliability Grade CGJ Series

Thank you very much for your continuous use of TDK Multilayer Ceramic Chip Capacitors High Reliability Grade (Hereafter CGJ Series).

CGJ series were released for the consumer application which requires high-reliability.

However, customers which at targeted business field selected automotive items (CGA Series) and CGJs were not expanded in the market.

And vendor TDK Components USA (TCU) is mandatory for CGJ Series to support special option such as Anti-counterfeiting seal and Lot trace

through Website, and which are negatively affected productivity.

TDK decided EOL for the CGJ Series and would like to request to change to the replacement P/N or order transfer to other suppliers or inform TDK of last time buy quantities..
